

HEAVY DUTY RAIN GEAR

CREW 211 HEAVY DUTY JACKET

Our best selling heavy duty jacket, supplied worldwide for over 40 years. The Crew 211 foul weather jacket is the industry standard in heavy duty rain gear. Built to withstand any conditions, this is the world's first jacket with adjustable neoprene cuffs and continues to lead the way in comfort and durability.

CREW 654 HEAVY DUTY BIB AND BRACE

The original 3 layer PVC Bib & Brace with knee pads. The bib and brace of choice for those who demand more from commercial foul weather gear, aquaculture clothing and industrial rain gear. The Crew heavy duty pants are renowned for their comfort and toughness.
