

# TECHNICAL DATA SHEET: LUBRICANTS

## QUALUBE EUROFLEET 15W40

### DESCRIPTION

Qualube Eurofleet 15W40 is an SHPD (Super High Performance Diesel) engine oil manufactured to an approved formulation to give exceptional performance even at extended drain intervals.

Qualube Eurofleet 15W40 is a tried and tested product that has given many years of trouble free service within the agricultural, road haulage, marine and plant hire industries.

### APPLICATIONS

In today's high-speed, increased horsepower, severe-duty diesel engines, motor oils are stressed as never before and must serve many functions simultaneously. In addition to its primary function of lubricating moving parts to minimize friction and wear, the oil must keep the engine clean and free of rust, prevent corrosion of bearings, act as a coolant and trap contaminants to be carried in suspension until the oil is drained. Qualube Eurofleet 15W40 has been specifically formulated to meet these challenges.

### BENEFITS

Qualube Eurofleet 15W40 meets a wide range of OEM and industry specifications allowing it to be used across mixed fleets.

### SPECIFICATIONS

ACEA E7  
MTU Type 2  
Caterpillar ECF-1a  
MAN 3275

API CH-4/CF  
Cummins CES 20076/77  
Mack EO-N & EO-M Plus  
Renault RLD/RLD-2

API SJ  
Volvo VDS-3  
MB 228.3  
Detroit Diesel 93K215

Eurofleet 15W40 Issue 1 (20.01.16) MAK
